Sponsor A Donkey

By sponsoring a donkey you can help fund the sanctuary's work in rescuing and rehabilitating donkeys in distress from all over the world. Sponsorship is just £15 per donkey for a year, and it makes an ideal gift for someone who has everything. You will receive a personalised certificate, your donkey's story to date and a colour photograph of your chosen donkey.

Remember to tell us on the form below if you want the donkey sponsored in someone else's name as a gift, or in the name of a group or organisation!
